Re: Grant No. 2862

Dear Dr. Getz:

The Scientific Director and CTR's staff have discussed your request for partial support of the Aspen Bile/Cholesterol Conference *"Hepatic Cholesterol and Postprandial Lipoproteins"* to be held in Aspen, CO, August 18-21, 1990.

The program contains many topics of interest to The Council, and the list of speakers ensures that the quality of the meeting will be high. Although we will be unable to send a representative to this year's meeting, I am pleased to tell you that we will make a contribution of $500.00 to help defray the costs of the conference. A check for that amount is enclosed with this letter; it would assist in our record-keeping if we could have a short written acknowledgement of the contribution.

We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector.

Sincerely,

Harmon McAllister
